

WELCOME TO KOH SAMUI

Get ready to fuel your stay at W Koh Samui. Whether you're visiting for an action packed tropical adventure or to soak up the tiny-Thai-island vibe at the beach, we've got you covered with the tips locals know and love.

Capture It
Float it up

You are likely to spend a few relaxing afternoons in your own private villa. Why disrupt your afternoon splash when you can float your in-villa dining order in your personal pool. Let our team know you'd like to "FLOAT IT UP" as you're making your order and we'll make it happen.

INSIDER TIP Floating your order is highly addictive.

Designer Vibes
Maret, Lamai

Du Du Bao is comfortably located near Hin Ta and Hin Yai rocks. The beach lounge restaurant hosts Thai/American cuisine with vegan options, saltwater pool, and furniture designed by James de Wulf. Stop by if you're circumnavigating the island or find yourself on the Southeastern side of Samui. Lamai in general has a slower pace & chill vibes, and Du Du Bao fits right in.

INSIDER TIP Thursday nights are for sunset jazz sessions, BBQ buffet is also on the table. Message us for reservations as seating is limited.

Five Islands
Longtail Boat Tour

A truly insider experience is what you are looking for? Set sail to neighboring islands, picnic on deserted beached and enjoy the most beautiful sunset, while cruising between the Five Islands, in your private, traditional long-tail boat.

INSIDER TIP Restaurant "Hemingway's on the beach" has a boat running everyday except Wednesdays.

TALK LIKE A LOCAL
Know slang from the streets.

Fuel Your Workout
FIT

You are on holiday but you don't want to fall out of the everyday routine or just want to try something new? Go for one of the FIT classes and FUEL your workout. Jetlagged or like to wake up early, enjoy the sunrise yoga at WET or Muay Thai class at WOOBAR. In case you like to lay in, classes are also available in the afternoon.

INSIDER TIP Book in advance to make sure you have a spot.

Xquad Samui Raid
Maenam Soi 5

If you do not mind getting a bit wet and dirty, then XQuad Samui is for you. This company organizes quad motor tours into the jungle, visiting a temple on the highest point of Samui and a hidden waterfall in the middle of the island. The tours start in the morning and come back late afternoon.

INSIDER TIP Don't wear your favorite shoes.

Pepenero
Bophut

Pepenero is owned by an Italian couple who loves traditional Italian cooking. They import the best products and make the most delicious homemade pastas.

INSIDER TIP Ask for the off-menu items, they always have a few dishes that are not even on the specials list.

Clutch on You
Fisherman's village

Clutch on you was founded by local designer, who designs Thai inspired art and prints them on 100% natural Bamboo clutches and valets. Perfect gift for any occasion

INSIDER TIP Check out their Instagram to choose your favorite design - @lyn_lynnie
